Adults-only hotel: we at the Sonnenhotel Adler aim to meet the needs of guests over the age of 16. Even the world's most loving parents need an occasional break from the daily routine. Some time to yourselves in a beautiful landscape can give you a new burst of energy and refresh both your body and spirit. Rediscover the important things in life: your partner, your health, nature and yourself. Enjoy every moment and just be yourself.

Adler Nature Spa: Enjoy our newly designed wellness area with herbal biosauna, aroma steam bath, finnish spruce sauna, infrared health cabin, kneipp pool and outdoor hot tub. Wellness at Sonnenhotel Adler means: swimming in our large, light-flooded panoramic indoor swimming pool with counter-current system, waterfall and starry sky, relaxing on our lawn with sun loungers and a shaded romantic lounge, relaxing in the outdoor-whirlpool, recuperating in our new saunas, refreshing in our Kneipp bath and ice fountain or relaxing with a soothing massage with products and oils from South Tyrol.

Alm (Villanderer Alm): This pasture is Europe's second largest alpine pasture and at the same time the high plateau with the most beautiful panoramic view of the Dolomites. You can choose between numerous walks between 1700 and 2500 meters above sea level (highest point: Villanderer Mountain 2509 m). Even in the winter the Villanderer Alm is a wonderful hiking paradise: 30 km of groomed trails and cross-country trails, magnificent natural toboggan runs – and an Eldorado for snowshoe hikers. Sleds are provided free of charge by the hotel.
